KS1 Resources and Donations to Climb

I would like to thank you on behalf of Climb for the support fundraising you have undertaken and the **£8000** you have donated to date.

At present we support over 9000 families who are affected by Metabolic Diseases and 730 different diseases, an increase of over 25 supported diseases in the last year. We now promulgate a summary of all our currently supported diseases on our website, www.climb.org.uk.

I would be most grateful if you would pass on our thanks to all who 'signed up' to this initiative but we are most grateful to you for your continued support.

Your donations will be put to very good use and enable Climb to continue to provide these much needed services.

Best wishes

Yours sincerely

Steve Hannigan
Executive Director

Supporting families, changing lives
