

**1st person:**  
Put 10 cubes  
in your bag.

+ 7

How many cubes do you think are in your bag now?  
How do you know?  
**3rd person — count then to check!**

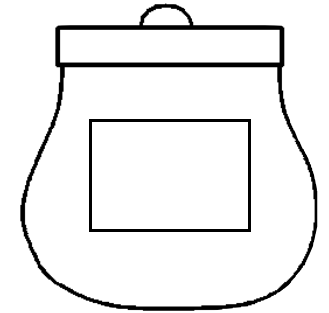

**2nd person:**  
+ 7 cubes

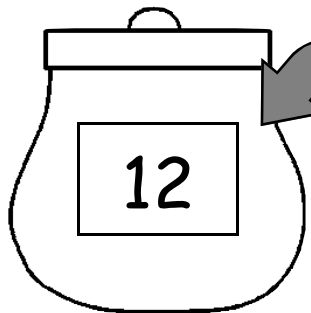

- 7

**4th person:**  
- 7 cubes

How many cubes are in  
your bag now?  
Count them to check

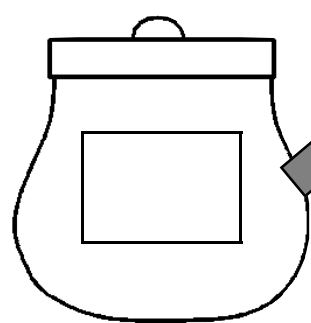

**1st person:**  
Put 12 cubes  
in your bag.

+ 8

How many cubes do you think are in your bag now?  
How do you know?  
**3rd person — count then to check!**

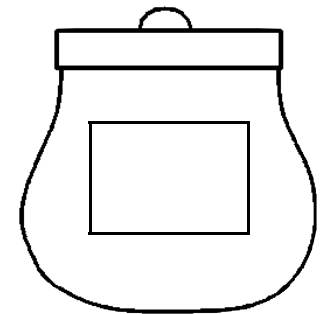

**2nd person:**  
+ 8 cubes

- 8

**4th person:**  
- 8 cubes

How many cubes are in  
your bag now?  
Count them to check
