

When does it happen?

One cold, dark night.....

One frosty day.....

One bright sunny morning

It was a cold winter's day ...

One warm summer day ...

One breezy day ...

One stormy night ...

In the middle of winter....

Snow was falling

What is it like?

night
dark
shadows
shadowy
gloomy
peaceful
quiet
still
mysterious
stars
starry
secret

frost
frosty
snow
snowy
snowball
snowflakes

cloudy
rainy
misty
puddles

hot
cold
bright
sunny
steamy
foggy
damp
breeze
breezy
wind
windy
gust
howl
howling
blow

day
morning
evening
afternoon
