**DO YOUR EARS HANG LOW?**

Do your ears hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them over your shoulder  
Like a regimental soldier?  
Do your ears hang low?

Do your ears hang wide?  
Do they flap from side to side?  
Do they wave in the breeze  
From the slightest little sneeze?  
Can you soar above the nation  
With a feeling of elation?  
Do your ears hang wide?

Do your ears hang high?  
Do they reach up to the sky?  
Do they crinkle when they're wet?  
Do they straighten when they're dry?  
Can you wave them at your neighbour  
With an element of flavour?  
Do your ears hang high?

Do your ears fall off  
When you give a great big cough?  
Do they lie there on the ground  
Or bounce up at every sound?  
Can you stick them in your pocket  
Just like Davy Crockett?  
Do your ears fall off?

Do your eyeballs droop  
do they wobble in your soup  
can you tie them in a loop  
can you wind them on a hoop  
Can you throw them over your shoulder  
Like a regimental soldier?  
do your eyeballs droop?

Do your eyes pop out?  
Do they bounce all about?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them over your shoulder  
Like a regimental soldier?  
Do your eyes pop out?

Are your ears really small?  
Barely visible at all?  
Do they look just like two peanuts  
Stuck onto a bowling ball?  
Can you store them in a thimble  
When you're feeling rather nimble?  
Are your ears really small?

Are your ears quite clean?  
Do they have a lovely sheen?  
Did you harvest all the veg  
That grow down in between?  
Did you wash out all the soil  
After all your farming toil?  
Are your ears quite clean?

Are your ears so thin?  
Do the breezes make 'em spin?  
Can you shine a light right through  
Like the finest onion skin?  
Can you wrap up a salami?  
Do they fold like origami?  
Are your ears so thin?

Fly fly butterfly,  
Fly fly butterfly,  
Fly fly butterfly,  
Fly up in the sky so high.

What do caterpillars do?  
What do caterpillars do?  
What do caterpillars do?  
Nothing much but chew and chew.

What do caterpillars know?  
What do caterpillars know?  
What do caterpillars know?  
Nothing much but how to grow.

They just eat and eat and eat  
They just eat and eat and eat  
They just eat and eat and eat  
To make them be a butterfly.

**ARE YOU SLEEPING?**  
(Frère Jacques)

Are you sleeping, are you sleeping?  
Brother John, Brother John?  
Morning bells are ringing, morning bells are ringing  
Ding ding dong, Ding ding dong

**FRENCH VERSION:**

Frère Jacques, Frère Jacques,  
Dormez vous, Dormez vous  
Sonnez les matines, Sonnez les matines  
Ding ding dong, Ding ding dong

How much is that doggie in the window?  
The one with the waggley tail  
How much is that doggie in the window?  
I do hope that doggie's for sale.

I don't want a rabbit or a kitten  
I don't want a parrot that talks  
I don't want a bowl of little fishies  
I can't take a fish for a walk.

I read in the paper there are robbers  
With flashlights that shine in the dark  
My friend needs a doggie to protect him  
And scare them away with one bark.

How much is that doggie ....

I'd like to build the world a home  
and furnish it with love  
Grow apple trees and honey bees and snow-white turtle doves

I'd like to teach the world to sing  
in perfect harmony  
I'd like to hold it in my arms and keep it company

I'd like to see the world for once,  
all standing hand in hand  
And hear them echo through the hills "Ah, peace throughout the land"

I'd like to teach the world to sing  
in perfect harmony  
I'd like to hold it in my arms and keep it company

I'd like to build the world a home  
and furnish it with love  
Grow apple trees and honey bees and  
snow-white turtle doves

Dinosaurs walked on this earth,  
On this earth, on this earth,  
Dinosaurs walked on this earth,  
A long, long time ago.

Tyrannosaurus Rex was king,  
Was the king, was the king,  
Tyrannosaurus Rex was king  
A long, long time ago.

Dinosaurs lived long ago,  
Long ago, long ago.  
Dinosaurs lived long ago,  
And now they are extinct.

(repeat 1<sup>st</sup> verse)

They are lost and gone forever  
Because now there are no more....

Great big dinosaurs, great big dinosaurs,  
They lived so long ago.  
Some liked land and some liked water,  
Some flew into the air.

Great big dinosaurs, great big dinosaurs,  
They lived so long ago.  
Some had horns and some had big spikes,  
Some had wings that looked like bats.

Great big dinosaurs, great big dinosaurs,  
They lived so long ago.  
Some ate plants and some ate meat,  
But now there are no more.

Great big dinosaurs, great big dinosaurs,  
Oh how they did grow?  
They are lost and gone forever  
Because now there are no more....

Great big dinosaurs, great big dinosaurs,  
Wherever did they go?  
They are lost and gone forever  
Because now there are no more....

Great big dinosaurs, great big dinosaurs,  
They lived so long ago.  
They are lost and gone forever  
Because now there are no more....

Big bear, big bear,  
Hunting near the trees.  
Feasting on the honeycomb  
Made by busy bees.

Big bear, big bear,  
Wading in the lake.  
Fishing for your favourite dish:  
Which one will you take?

Big bear, big bear,  
Resting in your den.  
Sleeping through the winter  
Before you're out again.

Big bear, big bear,  
Growling as he goes  
Looking for the honeycomb  
Made by busy bees.

The Earth turns around,  
The Earth turns around.  
Once a day, every day,  
The Earth turns around.

The moon goes round the Earth,  
The moon goes round the Earth.  
Once a month, every month,  
The moon goes round the Earth.

The Earth goes round the sun,  
The Earth goes round the sun.  
Once a year, every year,  
The earth goes round the sun.
