

143. Making Twenty (number bonds to 20)

PowerPoint Three has looped music to sing along to.

ALSO—Speedy Pairs Number Bond Game Cards for individuals, pairs or small groups. Differentiated.

Two sets of number cards (42 cards per set—6 per A4 sheet—green set and purple set) with suggestions for playing this simple pairs game. Numerals only.

Four sets of number and picture cards (22 cards per set—4 per A4 sheet) Each set has different theme pictures and different coloured border. For children who are struggling to have instant recall of bonds to 20 these cards can be used to encourage them to count on from the highest number.
