**FUNNY BONES**

Skeleton Interactive Link

On a dark dark hill  
there was a dark dark town..

In the dark dark town  
there was a dark dark street.

In the dark dark street  
there was a dark dark house.

In the dark dark house  
there was a dark dark staircase.

Down the dark dark staircase  
there was a dark dark cellar.....

Sample Slide

The Big skeleton, the Little skeleton and the Dog skeleton are three skeletons in a dark, dark town full of skeletal folk. They actually live in a dark, dark cellar at the bottom of a dark, dark house with a dark, dark street in that dark, dark town.

Mystery

Sample Slide

Big and Little are inseparable. Big wears a bright red bowler hat and has a triangular hole where his nose should be whereas Little wears round spectacles and a red nose. And Little is slightly taller than Little.

BUMPS in the night

Sample Slide

Their faithful pet Dog is a skeleton terrier who simply loves to chew on bones whenever he can - though not those of Big and Little's good bones.....

Give the Dog a Bone

Sample Slide

Big and Little's dark, dark town is just like any other. It has a pet shop, a dinosaur museum, a dark, dark seaside, a dark, dark park and a dark, dark fun fair.....

The Pet Shop

Sample Slide

One day, tragedy happens. The dog skeleton falls over in the park and becomes a pile of bones.

The other two skeletons put him back together again. But they should have had your help to do it properly!
