PowerPoint One: Off To Treasure Island poem

Off to Treasure Island

It's time to go to Blackpool,
To Spain or Turkey but
I'm off to Treasure Island -
It's a Treasure Island isn't!

I'll sail the seascape
A captain at my side
It's off to Treasure Island
On the very morning tide.

I'll sail the seascape
A captain at my side
It's off to Treasure Island
On the very morning tide.

I'll follow Big Bones's map,
Peer up with all the crew,
It's off to Treasure Island -
Gonna have some pirate fun!

I'll sail home with my treasure,
As rich as I can be,
It's off to Treasure Island -
Do you want to come with me?

It's time to go to Blackpool,

I'm off to Treasure Island -
