

# 235. Dinosaurs KS1 and lower KS2

## PowerPoint One - Singing with Dinosaurs

**Singing Dinosaurs**

- Singing Dinosaurs**  
  - Singing Dinosaurs
  - The Dinosaur Song
  - How a dinosaur became a fossil
  - Stegosaurus
  - A hungry Allosaurus
  - Did like to be a dinosaur
  - Stegosaurus again
  - Tyrannosaurus Rex
- Dinosaur, touch the floor**  
 Shake your tail and give it a roar  
 You're the fiercest looking dinosaur  
 that I have ever seen,  
 Please come sing and dance with me.
- Dinosaur, shake your tail**  
 Shake your tail and give it a roar  
 You're the fiercest looking dinosaur  
 that I have ever seen,  
 Please come sing and dance with me.
- Dinosaur, shake your tail**  
 Shake your tail and give it a roar  
 You're the fiercest looking dinosaur  
 that I have ever seen,  
 Please come sing and dance with me.
- Dinosaur, touch the floor**  
 go to sleep, but please don't roar  
 You're the fiercest looking dinosaur  
 that I have ever seen,  
 Please come sing and dance with me.
- Stegosaurus**  
 He had two horns that were very tall  
 One in the tail and one in the skull  
 Horns and spikes of iron to rock  
 He flattened his enemies with a wack.
- Brachiosaurus**  
 He was giant, forty feet high  
 Feet in the swamp, head in the sky  
 He had his nose on top of his head  
 When he sneezed, all the animals fled.
- Brachiosaurus**  
 He weighed 50,000 pounds  
 Thundering footsteps shook the ground  
 The swamp was where he liked to stay  
 Day after day after day after day.
- Pterosaur!**  
 He flew by flapping through the air  
 Animal, vegetable, he ate it all  
 Everything to him was lunch  
 Tasty insects to feed and munch.
- But everyone hit their heads**  
 When they saw Tyrannosaurus Rex!
- How a Dinosaur Became a Fossil**  
 A dinosaur perhaps T-Rex  
 was caught in a sticky flood  
 Feet in mud and then, dinosaurs  
 T-Rex, he was covered with mud and mud.
- How a Dinosaur Became a Fossil**  
 A dinosaur perhaps T-Rex  
 was caught in a sticky flood  
 Feet in mud and then, dinosaurs  
 T-Rex, he was covered with mud and mud.
- How a Dinosaur Became a Fossil**  
 A dinosaur perhaps T-Rex  
 was caught in a sticky flood  
 Feet in mud and then, dinosaurs  
 T-Rex, he was covered with mud and mud.
