

S

**Superstitions** – things that people believed and which made them anxious or afraid.

For example, if you have a warning dream, get up at once and recite a prayer to Isis while eating bread and green herbs. This will prevent the dream from having an evil effect.

S

**Symbol** – an object or drawn shape which stands for something else. Symbols often represent ideas such as ‘life’ or ‘love’, which cannot be shown in any other way because they are invisible.
