round and round, round and round
The wheels on the bus go round and round,
Over the city streets.

The horn on the bus goes beep beep beep.....

The wipers on the bus go swish swish swish.....

The bell on the bus goes ping ping ping

The mums on the bus go chat chat chat

The dads on the bus go nod nod nod

The kids on the bus go giggle giggle giggle

The wheels on the bus go round and round

Here we go round the mulberry bush,
the mulberry bush, the mulberry bush,
Here we go round the mulberry bush
on a cold and frosty morning.

This is the way we clean our teeth,
clean our teeth, clean our teeth,
This is the way we clean our teeth
on a cold and frosty morning.

This is the way we brush our hair
This is the way we clean our shoes
This is the way we sit down to rest

Here we go round the mulberry bush

If you're happy and you know it clap your hands,
If you're happy and you know it clap your hands,
If you're happy and you know it and you really want to show it,
If you're happy and you know it clap your hands

If you're happy and you know it stamp your feet,
If you're happy and you know it stamp your feet,
If you're happy and you know it and you really want to show it,
If you're happy and you know it stamp your feet.

If you're happy and you know it nod your head,
If you're happy and you know it nod your head,
If you're happy and you know it and you really want to show it,
If you're happy and you know it nod your head.

If you're happy and you know it say ha ha,
If you're happy and you know it say ha ha,
If you're happy and you know it and you really want to show it,
If you're happy and you know it say ha ha.

I went to the animal fair,
The birds and beast were there,
The big baboon by the light of the moon
Was combing his auburn hair.

The monkey fell out of his bunk
And slipped down the elephant's trunk,
The elephant sneezed – achoo!
and fell on his knees – oo ow!

And that was the end of the monkey, monkey,
monkey, monkey, monkey, monkey, monk.

Clap your hands together like this,
Clap your hands together like this,
Clap your hands together like this,
Oh clap your little hands.

Clap your knees together like this,
Clap your knees together like this,
Clap your knees together like this,
Oh clap your little knees.

Clap your heels together like this,
Clap your heels together like this,
Clap your heels together like this,
Oh clap your little heels.

When Ducks get up in the morning,
they always say good day
When ducks get up in the morning,
they always say good day
Quack, quack, quack, quack,
that is what they say, they say
Quack, quack, quack, quack,
that is what they say.

Apple and an ant, apple and an ant.
Apple and an ant, apple and an ant.

Baby and a ball, baby and a ball.
Baby and a ball, baby and a ball.

Cat and a cow, cat and a cow.
Cat and a cow, cat and a cow.

Dog and duck, dog and a duck.
Dog and duck, dog and a duck.

Flower and a fish, flower and a fish.
Flower and a fish, flower and a fish.

Put on your jacket and come along,
Put on your jacket and come along
Put on your jacket and come along
We're going to the pumpkin farm

We'll look for a great big pumpkin there
Look for a great big pumpkin there
We'll look for a great big pumpkin there
We're going to the pumpkin farm

We'll take off the top and give him a face
Take off the top and give him a face
We'll take off the top and give him a face
We're going to the pumpkin farm

We'll put in a candle and watch it glow
Put in a candle and watch it glow
We'll put in a candle and watch it glow
We're going to the pumpkin farm

Pretty little shamrocks were growing on the ground
Along came a leprechaun, he didn't make a sound
He picked a little shamrock and jumped up in a tree
Then he put it in his pocket, and he slapped his little knees
And he clapped his tiny hands, and he stamped his little feet
And he said, "This will bring a little luck to me."

I'm hopping like a bunny, I'm hopping all around
Hopping like a bunny and now I'm falling down
I'm stomping like a dinosaur, I'm stomping all around
Stomping like a dinosaur and now I'm falling down

I'm swimming like a fishy, I'm swimming all around
Swimming like a fishy and now I'm falling down

I'm walking like an elephant, I'm walking all around
Walking like an elephant and now I'm falling down

I'm flitting like a butterfly, I'm flitting all around
Flitting like a butterfly and now I'm falling down
